LETTER OF EXPLANATION

Mail Stop Missing Parts
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sirs:

On 18 February 2004, this office responded to a Notice to File Missing Parts of Nonprovisional Application dated 18 December 2003. The submission included a Certificate of Mailing, copy of the Notice, an executed Declaration and Power in response to the Notice, a check for \$65.00 for surcharge and postcard.

On 16 March 2004, this office received a Notice of Incomplete Reply dated 10 March 2004, indicating that we did not submit a check for \$65.00 for declaration surcharge.

Attached is a copy of our check #3463, which was mailed with the submission. Further, our postcard and Certificate of Mailing both list the check as being a part of the mailing.

We attach a copy of our returned postcard, stamp dated by the USPTO, which does not contain any indication that the check for fees was not included.

Since the check appears to have been lost by the USPTO, we submit a new check to replace our previously submitted check and ask that you withdraw your Notice of Incomplete Reply.

If anything further is required, please contact the undersigned immediately. Having complied with the Notice, Applicant respectfully requests that this application be placed upon the files for examination.

Respectfully Submitted,

A handwritten signature in cursive script, appearing to read "R. A. Parsons".
